## HALL COLLECTION & TEXAS SCULPTURE GARDEN

Art is an integral component of HALL Park. Since the park's inception in the mid-1990s, significant works of local and international art have been placed throughout the grounds and building lobbies. HALL Park boasts the largest private collection of contemporary Texas sculpture ever assembled and available to the public in the Texas Sculpture Garden, where more than 200 works created by artists from all over the world are on display.

6801 Gaylord Parkway, Suite 100  
Frisco, Texas 75034
